BOARD OF EDUCATION,

By Edson Ford

FORM 4 1M 7-23

Nov. 19, 1923.

Eldon Ford, Esq.
1235 Chapala St.
Santa Barbara, Cal.

My dear Mr. Ford:-

Thank you for the order for 12 copies of the "Spanish Songs of Old California". The books will be out in about 10 days, and will be shipped to you, direct, from the printer.

If you find you can use a large number in the City Schools, I shall be glad to make a special rate. You can have them in lots of 50 at $1.25; of 100, at $1.00-- you paying carriage.

The book is so handsome and the songs are so beautiful that I feel sure they will "take." In Santa Barbara, of all places-- the last citidel of the Romance that was California-- the preservation of the old songs should be a joy and a crusade. My chief concern in this venture is to get these songs SUNG AGAIN. The receipts from this First Book will put into publication of a Second Book next year with a dozen or more others of the Old Songs.

In case of a larger order, later, I shall be glad to count the present 12 toward making a "wholesale" number.

Sincerely Yours,
